

# Afternoon Delight

Half the ride is through curvy two lane and the Hill Country Trail of four lane curvy ups and downs ( Known as the "Nameless Ride"). The other half is up in the farm lands and Prairie country. There is a wonderful wild life reserve up on 1147 that is a nice place to stretch you legs. There is also a good restaurant in Jonestown.

Tested by Mark Atkinson ([gr8jaguars@yahoo.com](mailto:gr8jaguars@yahoo.com)) Nov. 2005 to be \_\_\_\_\_ miles and about \_\_\_\_\_ minutes of seat time.
